

TALKING HANDS

You just have to try, because as always, talking heads and those are extremely easy to make. You need a [color A4 sheets](#) , [scissors](#) and [glue to paper](#) .Let the show begin :)

лист A4

прегънете го на три по дължина

сгънете го

www.krokotak.com

сгънете го по средата

сгънете го още два пъти, така че, да се получи буквата М

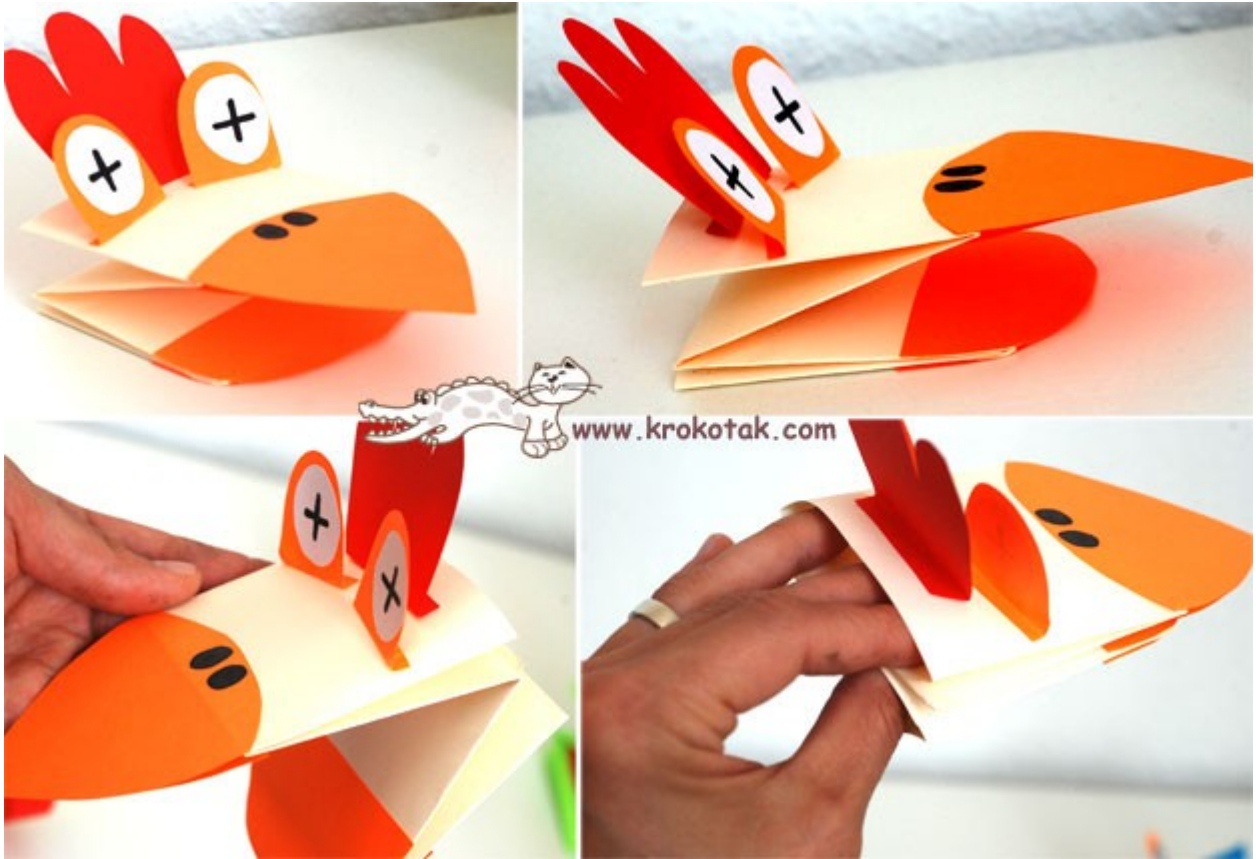

Monster - stuck with extra eyes and teeth inside the mouth
 Glove compartment - with extra eyes and mouth glued inside

Clown - a curled paper hair attached behind ball nose and eyes and added dopanlitelno language

Chicken - with an elongated beak and added additional eyes and comb
